water programs and events

MARCH 21 & 23

Fix a Leak Week Virtual Workshops

Learn from the experts on how to find and fix household leaks!

Part 1: Indoor Leak Repair (Tuesday, March 21, 6 pm – 7 pm) [Register here!](#)

Part 2: Outdoor and Irrigation Leak Repair (Thursday, March 23, 6 pm – 7 pm) [Register here!](#)

These virtual workshops provide residents with the necessary tools to identify and fix leaks in their own homes. This year Houston Public Works is partnering with cities across Texas to bring together a virtual class line-up featuring some of the leaders in the leak repair industry.

APRIL

Wyland National Mayor's Challenge

Houston is participating again in the Wyland National Mayor's Challenge for Water Conservation.

The challenge is a friendly competition between U.S. cities to see who can get the most pledges to conserve water and energy in the month of April. The city with the highest percentage of people who take the pledge in their population category wins!

Last year Houston won the challenge and received the title of water-wise city! Help Houston win first place again by taking the pledge and encouraging others to take the pledge. Taking the pledge is free and only takes one minute!

Learn more and take the pledge at: mywaterpledge.com.

APRIL 17-19

City Hall

Earth Day HTX - Speaker Series and Festival

Come out and learn about some of the environmental and sustainable projects and programs the City has implemented to make Houston a more resilient City.

Speaker Series (April 17 - 19): panel discussions and speakers from various City Departments and partner organizations showcasing city initiatives highlighting a cleaner, greener Houston.

Earth Fest (April 19, 10 am – 2 pm): festival featuring demonstrations, hands-on activities, displays, food, information and interactive booths from City of Houston Departments.

Houston Water will be participating in the Speaker Series as well as hosting educational exhibits at the festival to discuss the City's water conservation efforts and sanitary sewer overflow prevention program.

For information and updates visit [the event webpage](#).

APRIL 22

12 PM - 5 PM
Discovery Green

Water Works Festival at Earth Day Discovery Green

Houston Public Works invites you to come learn about water and celebrate WATER!

This year Houston Public works has partnered with Discovery Green and the Citizens Environmental Coalition to combine the Water Works Festival with the Green Mountain Energy Earth Day.

This FREE festival will feature family-friendly performances, live music, art installations, environmental exhibitors, craft stations, activities, face painting, photo booths and vendors. Educational talks, spoken word performances, guided meditation walks and more will be provided. There will also be plenty of time to enjoy the water features at Discovery Green.

For information and updates visit [the event webpage](#).
