

Municipal Setting Designation Application Instructions For Resolutions of Support

Application Form: For the application to be complete please submit one electronic portable digital file (pdf) of the application including all supporting material. Email to reina.gonzalez@houstontx.gov. A copy of the application can be found on the City of Houston's MSD website at <https://www.houstonpublicworks.org/municipal-settings-designation>

The application should be clear, complete, concise, correct, and contain only relevant information. Supporting documentation or any additional information should be submitted as a separate appendix to the application.

Maps: All maps must be accurate and should be drawn to scale. The supporting information can be consolidated on fewer maps than are listed, provided the information is legible.
